Did you know?

Dr. Korch began her academic journey at the University of Pittsburgh, earning her Bachelor of Science before continuing at the Pitt School of Dental Medicine to complete her Doctorate of Dental Medicine.

Following her dental degree, Dr. Korch spent three years specializing in orthodontics at the University of Maryland, earning an orthodontic certificate and a Master of Science in Oral Biology.

Fun Fact

Dr. Korch was distinguished as a Woman of Influence by the Central Penn Business Journal in 2017.

Did you know?

Dr. Korch loves traveling with her family and has been learning to play the violin with her son.

Fun Fact

Dr. Korch has been a proud member of our community since 1998. She stays active by serving at her church, supporting local schools, and helping lead community food and toy drives.

Korch Kash Rewards

Who says braces can't be fun?

At our office, you can earn points for doing awesome things throughout your treatment.

The best part? You get to redeem those points for your favorite gift cards and prizes!

Where Smile Design Meets Confidence and Beauty!

Always staying at the forefront of her field, Dr. Korch recently finished a two-year advanced training program in smile esthetics. Working alongside Dr. Pitts and a small international cohort of specialists, she refined the latest techniques to give her patients their best possible smiles.

To ensure her patients receive the most advanced care, Dr. Korch prioritizes continuing education and stays deeply involved in the professional community through her work with the AAO, ADA, and Harrisburg Area Dental Society.
